

Curriculum Vitae

Name: Ali Haeri

Date of Birth : March 1952, Karbala

Nationality : Iranian

Education: 1958-1964 Primary School
1964-1967 Intermediate
1967-1970 High school

University Education: 1970-1975 School of Pharmacy
Baghdad University – Iraq

Postgraduate Education : 1978-1982 Ph.D. Pharmacology
Strathclyde University Glasgow,
Scotland, U.K.

Ph.D. Thesis: The effect of Glucocorticoids on
rodents oestrous cycle and
sexual maturation of offspring
rats.

Conferred : July 1982

Languages: Farsi, English and Arabic
Written and Spoken
Excellent(level A)
French Learning (level C)

Employment : 1983-1989 Assistant professor of
Pharmacology, Department of
Pharmacology School of
Medicine Isfahan University of
Medical Sciences, Isfahan, I.R.
Iran.

1989-2014 Associate professor of
Pharmacology, Department of
Pharmacology, School of
Medicine, Shaheed Beheshti
University of medical Sciences.
Tehran, I.R. Iran.

2014-present Professor of Pharmacology

Offices and Positions held:

- ♦ **1987:** Director, Department of International and Scientific Relations of Isfahan University of medical Sciences.
- ♦ **1987:** Member, School's Education Committee, School's Research committee.
- ♦ **1988:** Head, Department of Pharmacology school of medicine, Isfahan University of Medical sciences.
- ♦ **1988:** Acting Vice-Chancellor for Research, Isfahan University of medical sciences.
- ♦ **1988:** Advisor to the Minister of Health and Medical Education for Pharmacology Curricula.
- ♦ **1988:** Member, Board of Directors of Iranian Society of Physiology and Pharmacology.
- ♦ **1990:** Member, National Council for Research Ethics Ministry of Health and Medical Education.
- ♦ **1990:** Member, Medical Education Curriculum Committee, Supreme Council for Higher Education, Ministry of Health and medical Education.
- ♦ **1990:** Vice-Chancellor for Research, Shaheed Beheshti University of Medical Science.
- ♦ **1991:** Director, Bureau of Scientific and International Educational affairs of the Ministry of Health and medical Education.
- ♦ **1991:** Director, National Boards for Basic Medical Sciences, Ministry of Health and Medical Education (to Supervise, program and evaluate Basic Medical sciences in both Under-and Post graduate levels of all Medical Universities in Iran).
- ♦ **1991-1998:** Dean, The Faculty of Medicine Shaheed Beheshti University of Medical Sciences, Tehran, About 5000 students and more that 750 scientific staff; graduation with M.D. degree, presently 14 affiliated teaching hospital are under the faculty.
- ♦ **1992 - 1996:** Member, National Committee for Drug Legislation, Ministry of Health and Medical Education.
- ♦ **1994 - Present:** Advisor, Educational Development and Research Centre Ministry of Health and Medical Education.

- ♦ **1998 – 2005:** Director of Research, Institut Pasteur D'Iran.
- ♦ **1998 – Present:** Director, National Board of Medical Education Ministry of Health and Medical Education.
- + **2005 – Present :** Senior Advisor on Scientific and International Affairs , Institut Pasteur D'Iran.
- ♦ **2005 – Present :** Member of The Academic Council of Gulf medical College, Ajman, United Arab Emirates.
- ♦ **2005 – 2010 :** Dean, Faculty of Medicine, Shaheed Beheshti University of Medical Science.
- ♦ **2005 – Present :** Member, Supreme Academic Council of Shaheed Beheshti University of Medical Science.
- ♦ **2006 - Present :** Member, The National Expert Committee for The Post Graduate National Medical Council , MOH&ME.
- ♦ **2006 – Present :** Member, The National council for The Medical Academic Staff Promotion, MOH&ME.
- ♦ **2008 - Present :** Member, The National Executive Board , Basic Medical Sciences, MOH&ME.

- ♦ **2010 - Present :** Permanent member of the Para-Medical Group,
- ♦ The National Academy of Medical Sciences, Islamic Republic of Iran.
- + **2010 - Present :** Representative of The National Academy of Medical Sciences, I.R.Iran in The National Council for Bio- and Nano- Technology, Ministry of Research and Higher Education, I.R.Iran.
- + **2010 - 2014:** Director General, Medical Schools Affairs, Ministry of Health, I.R.Iran.
- ♦ + **2011 – 2014: Director of The International branch of the University (SBMU)** encompassing 11 schools of medicine, dentistry, pharmacy.... and other health and allied medical sciences at undergraduate and postgraduate levels

Involvement in Graduate and Postgraduate training:

Supervisor and Joint-supervisor of more than 15 PhD's mainly in neuro-endocrine and Behavioural Pharmacology. Supervisor of more than 20 Pharma. D's and MD's theses in different aspects of pharmacology (mainly neuro-endocrine). Supervisor of 3 M.Sc's in Pharmacology of students in joint Physiology biochemistry disciplines. Visiting lecturer to Universities of Medical sciences of kashan, ShahreKord, Yazd, Kerman, Guilan, Rafsanjan, Tabriz, Ghazvin, Snandaj, Bandar Abbas and boushehr.

Establishing and Running Ph.D. program and writing the curricula in both Universities of Isfahan and Shaheed Beheshti.

Instructing Pharmacology to under graduate student while doing Ph.D. in Strathclyde University Glasgow.

Heading tutorials and Instructing Pharmacology to a group of 6 joint honours Biochemistry Pharmacology. Students in Strathclyde University, Glasgow.

Instructing to MSc students in Medical Education Instructing to MSc and fellowship students of Medical Ethics.

Membership of Editorial Board:

Isfahan University Research Journal.

Isfahan Medical School journal.

Razi Monthly Pharmaceutical Journal.

Ahvaz Medical School Journal.

Pazhouhandeh Research Journal.

Teb va Tazkiyeh Research and Scientific Journal

Consultant Editor:

Medical journal of the Islamic Republic of Iran.

Regular Referee for the Following Journals (Iranian):

Drug and Treatment.

Shaheed Beheshti Medical Journal.

Iranian Journal of Pharmaceutical Sciences

Journal of Pharmacological Sciences (JPHS) Korea

Referee for Staff Promotion:

By Communication with college of Medicine and Medical Sciences, Arabian Gulf University BAHRAIN.

WHO Involved Activities

Dr. Ali Haeri

Nov. 2011	Tunisia REGIONAL CONSULTATION ON ACCREDITATION FOR HEALTH PROFESSIONS EDUCATION (HPE) IN EMR
April, 2011 WHO/EMRO	STC/WHO Afghanistan
Nov. 2009	STC to JORDAN Developing National Program for CME / CEHP
June 2009	STC to KOBE WHO centre , ISA in NCD control
April 12, 2006 WHO/HQ, Letter	Expert Panel Membership Renewal
June 7, 2005 WHO/EMRO/HRH	APW signed to produce a book in Medical Education (accomplished)
Spring 2004 WHO-Kobe CENTRE, Kobe, Japan	STC/WHO
Summer 2002 WHO-Kobe CENTRE, Kobe/ Japan	STC/WHO; Health Research and Development
4 th Quarter, 2000 Kuwait	STC/WHO to the state of Kuwait on designing a national programme for continuing medical education
Mar. 16-17, 2000 Geneva, Switzerland	WHO temporary advisor, meeting of international public sector vaccinology institutions.
Dec. 4-6, 1999 Sana'a, Yemen	STC/WHO to the ministry of public health, republic of Yemen on essential drugs; use, supply and management
Nov. 22-24, 1999 Tehran, I. R. Iran	WHO temporary advisor, consultative meeting on rational Drug use.
Nov. 1-9, 1999 Aden, Yemen	Facilitator second problem-based Pharmacotherapy Teaching, Yemen DAP/WHO/Euro-Health.
Sept. 6-8, 1999 Alexandria, Egypt	WHO temporary advisor, consultative meeting on national drug policy.
Jul. 19-28, 1999 Groningen, Nether Land	Facilitator summer course on B. P. Pharmacotherapy teaching, WHO Collaborating Centre

Continued

Mar. to June 1998	STP/EDP/EMRO/WHO
Apr. 1998 Damascus Syria	Duty/STP/EMRO/WHO ministry of Health, (for NDP)
Jan. To Mar., 1998 Geneva, Switzerland	STC/WHO/EMRO to Syria to develop training curriculum for all categories in primary health care
Dec. 1997 Geneva, Switzerland	World Expert Committee on essential drug list
Sept. 1997 Tehran, Iran	Member of JPRM team, MOH+ME/WHO
Sept. 1997 Tehran, Iran	Temporary advisor for WHO/EMRO Inter-country meeting on operational research as a component of NDP.
Aug., 1997 Groningen Netherlands	Forth International summer course on problem based Pharmacotherapy teaching (as a trainer)
Jun.-Jul. 1997 Alexandria, Egypt	STC/DAP-EMRO
Jun. 1997 Beirut, Lebanon	Regional consultation on revising the UPC
Dec. 1995 Alexandria Egypt	Consultation on tobacco control in the EMR/EMRO
